Midsize cruise-in enlivens Friday nights in Glendale

By Larry Rodgers
The Republic | azenral.com

Vintage-car fans looking for a cruise-in that samples the best of huge weekly gatherings and small, 10-car events can find a happy medium in the Northwest Valley.

The Friday night cruise-in next to Chilly Bombers restaurant in Glendale is a low-key affair that attracts 100 to 150 cars in the summer months and 300 or more when things cool off.

The cruise-in features '50s and '60s music and awards for top cars — things that bigger events offer — without parking hassles and large crowds.

"It's laid-back, like a neighborhood car show," said Chase Mareska, 24, who turned his mother's 2001 Ford F-250 Super Duty pickup into a monster truck with 49-inch wheels and a turbo-diesel engine.

His mother, Kimio Mareska, said, "It's a little more intimate. Everybody knows everybody, and you can talk to anyone."

That was the atmosphere on a recent Friday night as car owners kicked back on lawn chairs or hung out at Chilly Bombers and chatted with passers-by.

Many took breaks to cool off in Chilly Bombers and the nearby Freddy's Frozen Custard and Steakburgers, cashing in on food and beverage discounts offered on cruise-in nights.

Music alternates between recorded tunes and bands that play on some weeks. The Valley group Still Cruisin' is scheduled to play on Friday, Aug. 19.

Nancy Perry, who is involved in several Valley car events through Nancy Perry Productions, sets up her sound system and registration tables by the entrance to Chilly Bombers, next to the restaurant's patio. That allows car fans to grab a bite and sip on a beverage as they watch the evening's sights roll in.

"It's a great place to wind down on a Friday night with friends and family," said Bill Wright, 60, of Glendale, who brought his 1948 Chevrolet sedan delivery to the cruise-in and was visiting with pals on Chilly's patio.

"We all share a passion for hot rods," added Wright, whose company, Paramount Performance, builds engines and cars.

Gawking at the evening's five winning cars was Ken Beitley, 78, who drives over from Sun City every Friday.

"I love cars. But I started late in getting into it," said Beitley, who was showing off his 1965 Chevrolet El Camino.

"It's such a terrific job that Nancy does.

A 1948 Chevrolet wows fans at the Chilly Bombers cruise-in. NANCY PERRY PRODUCTIONS

CHILLY BOMBERS CRUISE-IN

When: 5-9 p.m. Fridays.

Where: Parking lot between Chilly Bombers and Freddy's Frozen Custard and Steakburgers, southeastern corner of 51st Avenue and Bell Road.

Admission: Free.

Details: 602-809-1766, desertcruisers.com.

That woman works tirelessly."

About an hour before the event started to wind down, Perry called up the previous week's winners to give them plaques featuring photos of their cars.

She then announced that night's winners, having each drive his or her car to the front so participants could check them out and applaud.

One winner, Jerry Pignolo, had driven his 1949 Mercury coupe from Mesa.

The first 50 drivers to arrive at the cruise-in receive a dash plaque to display with information about their car.

Paul Cruickshanks, 41, of Phoenix, often drives his chopped-and-stretched 1974 AMC Gremlin to the Chilly Bombers event. "It's a little bit organized. It's not chaotic like some of the other ones," he said.

Vendor Jim DeWald, who had a large display of die-cast model cars for sale nearby, said, "The crowd is always very fiery, with a lot of spirit. They open the engines up more."

As if on cue, Wright drove off a few minutes later in his Chevy, making its high-performance engine roar as he headed east on Bell Road.

"Did you hear that?" Perry asked over the loudspeakers. "That's what an engine builder sounds like."

ARIZONA DEPARTMENT OF TRANSPORTATION PUBLIC NOTICE OF THE HEARING IN THE MATTER OF THE APPLICATION OF THE ARIZONA DEPARTMENT OF TRANSPORTATION TO REMOVE AN EXISTING AT-GRADE CROSSING OF THE BURLINGTON NORTHERN SANTA FE RAILWAY AT STATE ROUTE 303 NORTH OF OLIVE AVENUE AND TO REPLACE IT WITH A NEW GRADE SEPARATED CROSSING IN MARICOPA COUNTY.

ARIZONA, USDOT NO. 025-650-C, (DOCKET NO. RR-026358-11-0282).

On July 18, 2011, the Arizona Department of Transportation ("ADOT") filed with the Arizona Corporation Commission ("Commission") an application for approval for the removal of an existing at-grade crossing of the Burlington Northern Santa Fe Railway ("Railroad") in Maricopa County ("County"), Arizona, at USDOT No. 025-650-C and to replace it with a new grade separated crossing ("Application"). Additionally, the Application provides for the construction of a temporary at-grade crossing of the Railroad's tracks approximately 198 feet to the east of the existing crossing.

The application is available for inspection during regular business hours at the offices of the Commission in Phoenix, at 1200 West Washington Street, Phoenix, Arizona, and on the internet via the Commission website (www.azcc.gov) using the e-docket function.

The Commission will hold a hearing on this matter commencing on **November 16, 2011 at 10:00 a.m.**, at the Commission's offices, 1200 West Washington Street, Phoenix, Arizona. Public comments will be taken on the first day of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to Applicant or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of Railroad, a neighboring property owner, a crossing user, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Applicant or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before September 9, 2011. If representation by counsel is required by Rule 31 of the Rules of the Arizona Supreme Court, intervention will be conditioned upon the intervenor obtaining counsel to represent the intervenor. For information about requesting intervention, visit the Arizona Corporation Commission's webpage at <http://www.azcc.gov/divisions/utilities/fomis.asp>. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any customer from appearing at the hearing and making a statement on such customer's own behalf.

If you have any questions about this application, you may contact the applicant at 602-712-6193. If you wish to file written comments on the application or want further information on intervention, you may write the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007 or call 602-542-4251 or 1-800-222-7000 or appear at the hearing and make comment.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format by contacting Shaylin Bernal, ADA Coordinator, voice phone number 602-542-3931, E-mail SABernal@azcc.gov. Requests should be made as early as possible to allow time to arrange the accommodation.

RE: BNSF Railway Company
ACC Docket No. RR-02635B-11-0282
DOT No.: 025 650 C
SR 303 at Ennis Spur near Fennemore, Arizona

Dear Mr. Thomas:

In accordance with the requirements of the Procedural Order of the Arizona Corporation Commission, we are enclosing for your information a copy of our request for an Opinion and Order and a copy of the Corporation Commission's Procedural Order. This will serve as your notice of a scheduled hearing with respect to the subject project. This application will allow BNSF to install a temporary crossing and eventually remove the existing and the temporary crossing as part of a grade separation project.

Sincerely,

Robert H. Travis, PE
